Dear Exhibitor,

On behalf of the Planning Committee, I am so pleased you are interested in exhibiting at the Nineteenth International Conference on Shaken Baby Syndrome. Exhibiting is a terrific opportunity to display your products, services, or programs to a highly motivated, multi-disciplinary population of professionals. This year we anticipate close to 600 attendees, including medical professionals, law enforcement professionals, case investigators, attorneys, family members, social workers, and prevention advocates.

Exhibits will be held in the main ballroom pre-function space near the Keynote Presentations, which will provide the greatest traffic flow.
